

**Product Change Notification Form****PCN #:** PCN-000000772-0**Rev:** 1.0**Issue Date:** May 17, 2012**Customers Affected:** Generic**Type of Change:** Product Label Change - revision methodology**Detailed Description of Change:**

Currently, SSD X100 product label includes information about Firmware Revision and Product BOM Revision.

Effective immediately, product label will include Hardware Revision instead of Product BOM Revision. The prefix for the Hardware Revision will be marked with "HW" instead of "REV".

There is no change regarding the firmware revision - it will continue to be printed on the product label, using the prefix "FW".

For reference, the labels below are up to date, while the red rectangles mark the location of the change.
